

NQT Primary Programme 2018 - 2019

Welcome

The NQT year is a pivotal time in a new teacher's career where, with the right kind of quality support, we can develop resilient and highly skilled practitioners ready for the demands of a 21st century school. We fundamentally believe that every teacher has the potential to make a difference to children's lives through inspirational teaching, which is why at the heart of our NQT programme is bespoke, high quality school based training and coaching.

The cost for our full NQT Primary Programme is £600 which includes the fee for New Wave Teaching School Alliance to act as an Appropriate Body, a statutory requirement for the induction period of Newly Qualified Teachers.

We also welcome interest from schools wishing to purchase individual elements of our NQT training package. For more details please see our NQT pricing structure.

NQT Primary Programme

Welcome Event

We look forward to welcoming all NQTs and mentors to this event where we will look at the statutory expectations around the NQT induction year and the structure of the training programme.

Weekly Support and Training

School based, trained mentors work alongside NQTs, ensuring that they receive personalised support and opportunities to develop their professional practice over the year. Weekly structured Professional Development Review meetings between mentors and NQTs provide a framework for mapping out the journey towards outstanding. Focussed NQT release time ensures that any actions from these meetings are met quickly.

Bespoke NQT mentor support is available throughout the year to help drive the induction process. Capitalising on best practice drawn from the National Standards for ITT Mentors we place the Standards for Teachers' Professional Development at the core of our training offer for all mentors.

Termly Training

A series of after school twilight training sessions once every half term will focus upon core elements of teaching pedagogy.

Alongside this, each term, NQTs will also be invited to attend a half day Festival of Learning. These sessions provide NQTs with opportunities to deepen their understanding of high-quality classroom practice by observing live lessons in our outstanding schools. Through coaching and the use of video, NQTs are able to reflect upon the impact of their own teaching and learning within classrooms.

NQT Training Schedule

NQT Pricing Structure

2018 - 2019

NQT Primary Programme

Price per trainee £600

* This includes the charge for registering NQTs with New Wave Teaching School Alliance as an Appropriate Body

Appropriate Body

Price per trainee £250

The appointment of an Appropriate Body is a statutory requirement for the induction period of NQTs.

As the Appropriate Body our service includes:

- Registration of NQTs with NCTL
- NQT online assessment forms
- High quality support and guidance for NQT mentors
- Quality assurance of your schools support and monitoring of NQTs

Festival of Learning

Price per trainee, per session £60

Once a term, the half day Festival of Learning session allows NQTs the opportunity to engage with and reflect upon evidence based research and what really impacts on learning in classrooms. During each session NQTs will be invited to observe lessons within our schools.

For all bookings and enquiries please visit the New Wave Teaching School website or email us at teachingschool@newwavefederation.co.uk
